PANASONIC FULL HD CAMCORDER

HC-V160 enables ultra-telephoto Intelligent 77x zoom shooting which brings faraway subjects right up close, capturing dynamic images. Correct slight hand-shake and high-power zoom shots. The 32.3mm wide-angle fits more people and more of the background into the frame. Improve high sensitivity performance to record easy-to-see, clear images even in dimly lit situations with the BSI Sensor. You can also use filter effects, including Miniature Effect, 8mm Movie, Silent Movie and Time Lapse Recording, letting you shoot impressively.

5304

NAVMAN 5" GPS

Features a large, easy to read and use 5" LCD touchscreen, live traffic updates, a lifetime free maps built in to the system, speed limit alerts, driver fatigue warnings, landmark guidance, school zone alerts, spoken street names and provides tunnel assist for your convenience. Helps you arrive at your destination safely and on time.
